## HAF/WRCF Universal Application Questions & Prompts

### **Community Service, Employment, Extracurricular Activities, Awards & Honors**

The application includes a section for you to share any community service, employment, extracurricular activities, or awards and honors from the last four years. This section is optional; students are not required to have participated in these activities or to have received any awards or honors to be eligible for HAF/WRCF scholarships.

*Community Service:* Highlight a maximum of 5-10 activities that you are most proud of or had the biggest impact on you. Example: Volunteered at the Food Bank, 4 hours every Saturday for 2 years; Volunteer Coach for Basketball Camp - 2 weeks each summer for 3 years

*Employment:* List your most recent jobs (maximum of 3-5). Example: Barista at Starbucks, November 2020-current, 20 hours/week; Babysitting, February 2021-current, 4 hours twice a month; Camp Counselor at Camp Tawonga, 4 weeks, summer 2020

*Extracurricular Activities:* Highlight a maximum of 5-10 activities that you are most passionate about or have most influenced you. Example: On the soccer team freshman through senior years of high school, Acted in the spring play sophomore year of high school, FFA member 2019-2021

### **Personal Statement**

*Write a personal statement (up to 600 words) answering the following prompt:*

Why is going to college important to you? How would receiving this scholarship help you achieve your goals? How have your life experiences influenced why you want to go to college and/or what you want to study? Describe a time you worked hard towards a goal and what you learned from that experience. How did you grow? How will this help you in the future?

*Writing Tips:* Scholarship committee members have let us know that students are often too modest in their personal statements; it's okay to be proud of your accomplishments and aspirations! Ask for help with writing and proofreading! We recommend asking two people to proofread your essay. Writing resources include:

- Academic counselors, teachers, or school administrators
- Career tech staff members
- School writing centers
- TRIO programs
