Scholarship Fund	Fund Criteria	Fund Description
<p><b>Aawok Troy Fletcher Memorial Scholarship Fund</b></p>	<p>Troy Fletcher was a remarkable Yurok leader and champion for causes important to the Yurok people and culture. He filled many roles in his work with the Yurok Tribe, from starting his career as a fisheries biologist counting fish in the Klamath River, to directing the Fisheries Department as it developed the technical and policy expertise to protect Tribal fishing rights, to helping to guide the Tribe through difficult natural resource issues impacting Tribal water and fishing rights, to leading the Tribe as its executive director. His tireless work to restore the Klamath River and its fishery resources, in all of these roles, was an inspiration to all around him. His vision and leadership brought together diverse partners, built new management relationships, and established a bold and innovative vision for Yurok ancestral territory. The purpose of this scholarship is to further Troy's vision for the Yurok people: promoting education of Yurok tribal members in the field of natural resources.</p>	<p>Origin: Yurok Tribal Members            Level: Current College Students            Field of Study: Natural Resources (including land acquisition, biology, fisheries, water issues, natural resource restoration, watershed restoration, wildlife management and other aspects related to natural resources, such as policy making. Federal Indian law and policy making as they related to natural resource management are also acceptable fields of study.)            Additional Requirements: 500-1000 word essay addressing the following: Choose one area of Natural Resources and explain why you chose that area, what contribution you hope to make to that field, and how you would implement that change based on Yurok values and history.            GPA, Destination, Enrollment, Financial Need: Not considered</p>
<p><b>Albert &amp; Irene Benzinger Memorial Scholarship Fund</b></p>	<p>Albert was born in 1903, the third generation of his family in Humboldt County. Active in high school sports, he graduated from Eureka High School in 1921 and from UC Berkeley in 1926. His creative work in electrical engineering was cut short by the Depression and he returned to Eureka, eventually operating a radio and TV service business until retirement in 1968. In 1941, Albert married Irene Potter, a self-taught artist. In addition to painting, gardening, and politics, she loved sketching plans for compact and efficient houses. This scholarship, established by the Benzinger family, will recognize students eligible for membership in the Humboldt Pioneers Society who are graduates of Eureka High School and majoring or prepared to major in a field related to electronics or architecture.</p>	<p>Origin: Eureka High School            Level: Graduating High School Seniors            Financial Aid: All things being equal, financial need will be considered            Additional Requirements: Must have taken physics and trigonometry classes or advanced woodshop and drafting classes; must upload a letter of recommendation written by the teacher of one of these classes. <p><b>Arnie Millsap &amp; Friends of Zoe Barnum Scholarship Fund</b></p>	<p>Zoe Barnum High School, with over 200 students, is the largest continuation high school north of Santa Rosa. Students who have not been successful in traditional schools are offered an environment in which they can achieve personal and academic growth. As a community of caring, the core values of trust, respect, responsibility, family, and caring are emphasized. The Eureka Exchange Club, urged on by Arnie Millsap, provided the first postsecondary scholarship for a Zoe Barnum High School graduate in 1995. Arnie had been a great supporter of local youth for his entire career with the Eureka Police Department. His generous contribution led to the creation of this endowment, which will help ensure continued postsecondary opportunities for graduates of Zoe Barnum High School. <p><b>Astraia Pulliam Memorial Scholarship Fund for Nursing</b></p>	<p>Astraia Pulliam grew up in the town of Bonny Doon in the mountains of Santa Cruz, California. A bright and vibrant life, she set forth to spread the gift of health and healing, becoming a yoga instructor in San Francisco for several years. Along her journey she was blessed to become a mother to her cherished first born son. Her ambition to help heal never ceased, leading her to move to Humboldt County and attended College of the Redwoods nursing program. While raising her young son as a single mother, she completed her nursing degree in 2014. She started work on the Medical Surgical Unit at St. Joseph's Hospital, where she quickly gained a reputation as a dedicated and tender nurse who cared and advocated for all of her patients with loving kindness. One of her signature traits was her bright red lipstick. Astraia was the kind of nurse who went above and beyond, buying red lipstick for a patient who was in need of cheering up. Astraia was a beautiful person who had an amazing personality, a strong will, an infectious laugh and a smile that would make your day. She would smile her beautiful red lips at the thought that this scholarship is helping single moms achieve their goal of becoming nurses.</p>	<p>Level: Current college students  GPA: Minimum 3.0  Destination: College of the Redwoods  Field of Study: Nursing  Financial Need: Must demonstrate financial need  Preference: for single mothers and students who intend to stay in Humboldt after graduation  Origina, Enrollment: Not considered</p>

<p><b>Curtis R. and Helen M. Anderson Scholarship Fund</b></p>	<p>Curt and Helen Anderson, both native to Humboldt County, chose Eureka as their lifelong home. Curt was the son of a Norwegian sea captain who sailed the lumber trade for the Carson Lumber Company. During WWII, Curt held to his seafaring tradition by sailing in the US Merchant Marines. He ended his working career still involved with the sea as an employee of Westfall Stevedore Company. Helen M. (Aitken) Anderson, born in Fields Landing, was also of Danish and Norwegian heritage. Throughout their lifetimes they celebrated their heritage with active participation in the Sons of Norway Lodge. Both also shared a deep appreciation for Humboldt Bay's cultural diversity, its richness of personal histories, and its abundance of good friends and family. They were pleased to leave a lasting legacy, a small return for the abundance that Humboldt County provided them during their lifetimes.</p>	<p>Origin: Humboldt County high school  Level: Graduating high school senior or previous recipient  Financial Need: Must demonstrate extraordinary financial need  GPA, Destination, Enrollment, Field of Study: Not considered</p>
<p><b>David E. Brown Memorial Scholarship</b></p>	<p>David Brown grew up in Cincinnati, enlisted in the marines just out of high school, and traveled the world. Upon his discharge, he moved to Florida, eventually settling in California. After receiving his associate of arts degree from College of the Redwoods, he spent his life's work in electronic technology and management. "Life is full of choices," David was fond of saying, "and everything that happens is a result of the choices you make." With this in mind, David's daughter Kristin created a scholarship fund in his memory for a Fortuna Union High School graduate enrolling in any college or university. The application includes an essay about choices, asking students to reflect on the choices they have made and are making and how the consequences of those decisions will have the power to guide the direction of their lives. (</p>	<p>Origin: Fortuna High School  Level: Graduating high school senior  GPA: Minimum 3.0  Destination: Accredited college or university  Additional Requirements: Applicants must write an additional essay describing the importance of "choice" in life and how their choices will impact their future. Somerville Scholarship Fund</b></p>	<p>Originally from the Pacific Northwest, David and Elizabeth Somerville moved to Humboldt County in 1949 to grow their family and start their business. This many years later, they are the proud parents, grandparents, and great-grandparents of children born and raised in Humboldt. David's home accounting business grew into a successful CPA firm that can be found on Main Street, Fortuna today. Through the David J. and Elizabeth (Betsy) K. Somerville Scholarship Fund, they hope to help graduating Fortuna and Ferndale High School students and to give back to the community that supported them and their family.</p>	<p>Origin: Fortuna or Ferndale high school  Level: Graduating high school senior or previous recipient  Financial Need: Must demonstrate financial need  Preferences: Previous recipients will be given preference  GPA, Destination, Enrollment, Field of Study: Not considered</p>
<p><b>David Nathan "Gypsy" Chain Memorial Scholarship Fund</b></p>	<p>David Nathan Chain was a young forest activist killed in 1998 while trying to prevent illegal logging in an Earth First! action near Grizzly Creek in the Van Duzen River valley. Childhood friends in Texas remember David as a gentle, loving man who considered becoming a chiropractor. Traveling to Humboldt County in the midst of the timber controversy, David learned tree-climbing and nonviolent protest tactics; he took the wood's name "Gypsy." The story of his vibrant life and tragic death at 24 is documented in 'A Good Forest For Dying,' by Patrick Beach (2004). On the 20th anniversary of Gypsy's death, community leaders, friends, and fellow activists established this fund to provide an annual scholarship for a local high school senior or first year student at Cal Poly Humboldt or College of the Redwoods who has demonstrated commitment to issues of forest ecology through volunteer and/or academic projects.</p>	<p>Origin: Humboldt County high school, Cal Poly Humboldt, or College of the Redwoods  Level: Graduating high school senior or college students entering their first or second years  Destination: Cal Poly Humboldt or College of the Redwoods  Additional Requirements: Applicants must demonstrate activism and a continuing passion for protecting the environment and write an additional essay about their hopes and personal commitment to environmental activism.</p>

<p><b>David Wilder Pickart-Jain Memorial Fund</b></p>	<p>David Pickart-Jain was known as much for his contagious smile as for his many academic honors. He was born in 1999 in Eureka, CA, and was raised with his sister Elyse, enjoying the wildlands of Humboldt County. His time spent outdoors nourished a generous, thoughtful, and kind nature. David was beloved by his classmates at Jacoby Creek School and won numerous academic awards, and he played a pivotal role on the basketball team. David was killed on March 10, 2013, just short of his 14th birthday, when he was struck by a car while in a pedestrian crossing. The David Wilder Pickart-Jain Memorial Fund was established by his parents, Andrea Pickart and Peter Jain, with funds contributed in his honor by his family, friends, and community. It will award one college scholarship per year, beginning in 2017, to a student graduating from an Arcata area high school.</p>	<p>Origin: Arcata Area  Level: Graduating high school senior  Financial Need: Financial will be considered  Additional Requirements: Applicants must demonstrate strong math and athletic skills and interests. <p><b>Dean Cantwell Memorial Fund</b></p>	<p>Dean Cantwell grew up in Iowa and moved to Crescent City in 1992. He retired from a career as a contractor building major subdivisions in the Monterey and Santa Cruz area during the housing development boom. After spending years working in relatively affluent communities as a laborer, albeit a successful one, Dean developed a passion for helping young people improve themselves through education. Dean began contributing each year to Rotary's annual Third Grade Dictionary Program---whereby each 3rd grader in Del Norte County is given their own dictionary---and through Rotary's annual award of scholarship monies to deserving high school students. As the years passed, Dean developed a dream to create a four-year scholarship award to one deserving young person from Del Norte. Tommy and Donna Sparrow have honored and fulfilled Dean's most precious wish by making this scholarship a reality.</p>	<p>Origin: Del Norte County high school  Level: Graduating high school senior  GPA: Minimum 3.0  Destination: 4-year college/university  Enrollment: Full time  Financial Need: All things being equal, financial need will be taken into consideration  Field of Study: Not considered</p>

<p><b>Dylan Wade Ruiz Memorial Scholarship Fund</b></p>	<p>Dylan Wade Ruiz died in a tragic vehicle accident on October 16, 2014 at the young age of 23 years old. A gay man who lived for dancing and performing to the many varieties of music he loved, Dylan was naturally creative and every performance was a masterpiece. Every detail was considered for maximum effect--costumes, make-up, props, and choreography alike. He performed many styles of dance at multiple venues and community events. Whether dancing at a night club with his friends, twerking, fire dancing, performing burlesque or drag, or singing with the Arcata Youth Choir, he was "all-in." He was thrilled to perform for one person or hundreds of people, solo or in a company of like-minded entertainers. Dylan would be thrilled that his legacy helps LGBT youth pursue their passion in the performing arts.</p>	<p>Origin: Humboldt County high school  Level: Graduating high school seniors  Field of Study: Performing Arts  Financial Need: All things being equal, financial need will be taken into consideration  Additional Requirements: Applicants must identify as LGBTQ (Lesbian, Gay, Bisexual, Transgender, Queer)</p>

<p><b>Eleanor Davenport Stone Memorial Scholarship Fund</b></p>	<p>This fund was established in memory of and in admiration for Eleanor Davenport Stone, RN. Eleanor left home at age 17 to attend nursing school after graduating high school with honors, a brief six months after the start of WWII. Her nursing career started as a private duty nurse in her hometown in upstate New York. She later worked as a courier nurse on the Santa Fe Railroad, as a summer camp nurse (allowing her son to attend), and as an industrial nurse (Mattel Toy Company was her son's personal favorite). Her work as an RN also provided her family with the resources to travel and experience other cultures and cuisines. Eleanor's career helped her son choose nursing as his profession, one he's enjoyed for the past 30 years. Scholarship awards are made annually to students participating in the College of the Redwoods nursing program.</p>	<p>Destination &amp; Field of Study: Applicants must be enrolled in or accepted into the College of the Redwoods Nursing Program            Financial Need: All things being equal, financial need will be considered            Preference: will be given to applicants who demonstrate volunteer experience/contributing to their communities and/or students enrolled full-time            Origin, Level, GPA, Enrollment: Not considered</p>

<p><b>Helen G. Crozier Scholarship Fund</b></p>	<p>Originally from Montana, Helen Crozier came to Fortuna as a young adult to teach math at Fortuna High School for more than 30 years. Helen loved playing Scrabble, completing jigsaw puzzles, and watching college basketball. Her love of music led to providing piano lessons for many students, playing as an organist at several churches, and being actively involved in the Humboldt County Community Concert Series. Most of all, Helen loved to travel, keeping track of her trips on a wall map with pins marking the many places she visited. Helen stayed in touch with many of her students and enjoyed their visits and letters after her retirement. This endowment fund will provide a scholarship for graduates of Fortuna High as they continue their education.</p>	<p>Origin: Fortuna Union High School  Level: College sophomore, junior, or senior  GPA: Must have maintained a satisfactory scholastic record  Destination, Enrollment, Field of Study, Financial Need: Not considered</p>
<p><b>Helen Gierek Scuri Memorial Scholarship Fund</b></p>	<p>Helen Gierek Scuri was always interested in law and was brilliant with numbers. After high school she obtained a certificate from Eureka Business College and then worked as a bookkeeper at Baker and Stanton, for the lawyer Michael McHugh, and for Humboldt Moving and Storage. In a different era, she would have attended college and become an accountant. Deprived of an opportunity for higher education, she strongly encouraged her daughters to work hard in school and placed a high value on education. As a result of her vision, her family now holds ten degrees ranging from bachelor's to doctoral. A lifelong resident of Elk River, she had strong ties to Humboldt County. In her memory, her children have established this scholarship to help others in need fulfill their desire for a higher education.</p>	<p>Origin: Humboldt County high school  GPA: Minimum 3.5  Destination: 4-year college or university, or graduate school  Field of Study: Accounting, pre-law, law  Financial Need: Only students with financial need can apply  Additional Requirements: Applicants must be women  Preference: will be given to previous recipients  Level, Enrollment: Not considered</p>

<p><b>Rael Family Scholarship Fund</b></p>	<p>The Rael family established this scholarship to support a Latino student who demonstrates academic potential and who has a history of community involvement. Dennis Rael, as we know from the delectables served at Los Bagels, is of mixed heritage: his mother was Jewish and his father, Chicano. His father experienced discrimination as a child because he was Spanish-speaking. While working as a printer in his late 40s, he turned this discrimination around by going back to school and obtaining a teaching credential. He was hired as a teacher because among his qualifications was the ability to speak the language for which he once was ridiculed. The Rael family believes that people who have access to education can increase their potential. They take pride in their heritage and feel fortunate to be able to encourage others to also take pride in who they are and further their education.</p>	<p>Origin: Humboldt or Del Norte residents  Level: Entering or continuing college student  GPA: Minimum 3.0 GPA  Destination: Any two or four year college or university  Financial Need: Demonstrates financial need  Important: Latino student. Scott, who passed away at age 42, was known by locals as a great friend and avid baseball player. From T-Ball through Little League and college, his dream was to play for the Humboldt Crabs. He did, hitting a homerun his first time at bat. In 2015, Scott was inducted into the Humboldt Crabs Hall of Fame.</p>	<p>Origin: Eureka or Fortuna High School  Level: Graduating high school senior  Financial Need: Demonstrates financial need  Additional Requirements: Applicants must have experience playing baseball and/or softball  GPA, Destination, Enrollment, Field of Study: Not considered</p>
<p><b>Scott Guild Memorial Fund</b></p>	<p>Born in Wyoming in 1955, Scott graduated from UC Davis in 1978 with a degree in animal science and came to Humboldt County to work as a ranch hand in Ferndale. There he met Linda and together they moved to the Russ Ranch on Snow Camp Road. Later, Scott took classes at Cal Poly Humboldt to sit for the CPA exam and went on to work at Aalfs, Evans &amp; Company for many years, including 24 as a partner. Most important in Scott's life were his children Rogan and Katelyn. He raised them with the values he lived by: honesty, integrity, and a strong work ethic. Scott coached T-ball and basketball, and he was a member of the Rotary Club of Eureka and the Freshwater School Board of Trustees. Scott was a lecturer at Cal Poly Humboldt and was pursuing a master's degree in order to teach full time. This scholarship supports students pursuing an accounting degree.</p>	<p>Origin: Humboldt County Residents  Level: Graduating high school – with a preference for students who plan to stay local or previous recipient  GPA: Minimum 3.0  Destination: A two- or four-year college, university or vocational/technical school  Enrollment: Full-time  Field of Study: Accounting  Financial Need: Demonstrates financial need. <p><b>Sequoia Lodge #14 IOOF Scholarship Fund</b></p>	<p>The Independent Order of Odd Fellows is a worldwide fraternal order established in the US in 1819 by Thomas Wildey in Baltimore, MD. In Humboldt County, the first lodge was established in Eureka in 1858. In subsequent years, lodges flourished in Arcata, Blue Lake, Loleta, Fortuna, Ferndale, Hydesville, and Rohnerville. The original directives to the members were, and continue to be, to visit the sick, relieve the distressed, bury the dead, and educate the orphan. Over time these lodges have gone out of existence. Sequoia Lodge #14, the last remaining Humboldt County Lodge, went out of existence in December of 2012. In keeping with the IOOF mission, this scholarship supports students who are pursuing an education in the fields of education, health professions, and mortuary science. <p><b>Social Work and Elder Support Scholarship</b></p>	<p>The Social Work and Elder Support Scholarship Fund was established in 2016 by Robin Wolff, LCSW, who has supported frail, older, impoverished adults in the local Humboldt County community for over 20 years. This scholarship is designed to support social work students at Cal Poly Humboldt who want to commit to working with older adults in the local area. Robin wants to dedicate this scholarship to the memory and generosity of her parents and hopes to inspire all of us to care more about our local elders.</p>	<p>Level: Current Cal Poly Humboldt Students  Field of Study: Medical/social work with a preference for individuals specializing in work with older disabled adults  Financial Need: Demonstrates financial need  Origin, GPA, Destination, Enrollment not considered</p>
<p><b>South Fork/Big Flat Endowment Scholarship Fund</b></p>	<p>Siblings John and Mildred Nickelsen learned the true meaning of grit at a very young age. Losing their father in an accident when they were kids forced them to face the adult world early on. This challenge in their youth made them strong and they both led successful, fulfilling lives. John and Mildred were firm believers in education and that one should never stop learning and developing. They were true examples of what can be accomplished through determination, hard work and commitment even in the face of adversity. In memory of John and Mildred, the South Fork/Big Flat Scholarship Endowment Fund was established by Bob Steven in 2018. At Bob's direction, scholarships from this fund will be awarded in Del Norte and Curry counties to support students pursuing science, professional and industrial careers.</p>	<p>Origin: Del Norte County or Curry County residents  Level: Graduating high school senior or previous recipient  Destination: A two- or four-year college, university or vocational/technical school  Field of Study: Sciences, Education, Business, Economics, Trade and Vocational  Financial Need: Must demonstrate financial need  Additional Requirements: Students can re-apply for scholarship, but are limited to four years per student. <p><b>The Wayne Caldwell, CFP®, Financial Literacy Scholarship Fund</b></p>	<p>The Wayne Caldwell, CFP®, Financial Literacy Scholarship Fund was established by Wayne Caldwell, who is one of the founders and current chairman of the board of Premier Financial Group. Wayne also leads Premier Philanthropic, established to inspire thriving communities and support Premier's Healthcare Peace of Mind Initiative. This scholarship fund was created to support education for our nurses and first responders, with a preference for veterans, to emphasize the importance of achieving financial independence and peace of mind. Applicants who plan to attend college with a long-term plan to work locally in the medical field, law enforcement, EMT, and fire are required to submit a short essay on the importance of saving and investing for the future and planning for retirement. For more than 25 years, Premier Financial Group has been helping local families and businesses manage their investments and prepare for retirement. For students entering college, retirement probably seems too far in the future to address now. However, Premier understands the benefits of pairing financial literacy with a long-term horizon and is committed to promoting these benefits to our local professionals and our community. <p><b>Ultimate Equity Scholarship</b></p>	<p>Cate Roscoe created this fund in 2008 with money left by her father Stanley "Neb" Roscoe to originally provide two scholarships inspired by two of her first students. In 2020, these scholarships were commuted into the Ultimate Equity Scholarship with the intent of supporting and empowering increased diversity and equity in the sport of Ultimate (often called Ultimate Frisbee). As a teacher and a member of marginalized communities, Cate has always been committed to decolonizing education and dismantling the white supremacist patriarchy. However, as a 20+ year veteran of elite club and professional Ultimate, she recognized her blindness to the inequities in her majority white sport, resulting in the creation of the Ultimate Equity Scholarship. This scholarship will be awarded to incoming and returning college Ultimate players from underrepresented, marginalized groups, and to those who are active in equity activism.</p>	<p>Destination: 4-year College Financial Need: Demonstrates Financial Need. <p><b>Vellis Family Endowed Scholarship Fund</b></p>	<p>This fund was created with the remainder of the Charitable Remainder Trust established by Lewis and Jane Vellis in 2000. The fund serves two distinct educational goals. While one objective assists students directly, the other benefits a community college. The first area of interest is to provide scholarships for juniors and seniors in high school served by College of the Redwoods and its branches. The intent is to expand their curricula so that they can become adults in the workforce, motivated to attain a higher level of proficiency and work toward a stated goal. This opportunity may continue through a bachelor's degree in a state college. The second purpose is to assist the Santa Barbara City College Continuing Education Division to develop and sustain courses and seminar series featuring nationally known speakers, primarily in the field of transitional psychology such as the "Mind/Supermind" series.</p>	<p>Origin: Attended Mendocino High School, Fort Bragg High School, or any high school in Humboldt or Del Norte County GPA: Minimum 2.5 Destination: College of the Redwoods Level, Enrollment, Field of Study, Financial Need not considered</p>

<p><b>Zabelle Helen G. &amp; Lynn F. Tracy Fund</b></p>	<p>Zabelle Helen Gulesserian Tracy and her husband Lynn Frederick Tracy were residents of Del Norte County from 1947 to 1981, when they moved to a retirement community in Lacey, WA. Helen was an Armenian born in Aintab, Turkey who lost many relatives in the infamous Armenian Massacres. Both Helen and Lynn Tracy were intensely interested in the physical and mental development of young people, and enjoyed watching children learn. Helen was California Teacher of the Year in 1973. For over 30 years, the Tracys owned and operated Pacamo Camp for children ages 6 to 16. "Pacamo" is an Esperanto word meaning "love of peace." This scholarship is awarded to re-entry students with great financial need. (1996)</p>	<p>Origin: Humboldt or Del Norte County residents  Level: Must be a re-entry student (a minimum of a 5-year break in scholastic endeavor)  Field of Study: Education (Preference)  Financial Need: Demonstrates financial need  GPA, Destination, Enrollment not considered</p>
<p><b>Zach Hegelmeyer Memorial Endowed Scholarship Fund</b></p>	<p>Zachary Warren Hegelmeyer died unexpectedly on Feb 15, 2018, while surfing in Bali, Indonesia. Zach was born in Riverside on Nov. 11, 1991 to David and Michele Hegelmeyer. Soon after, the family moved to Crescent City where Zach grew up. Zach excelled at team sports, playing baseball and basketball for Del Norte High. He attended George Fox University where he continued playing baseball and graduated cum laude. Zach moved to Bend, Oregon in 2013, bought a house around the corner from his parents and worked as a bartender and brand ambassador for 10 Barrel Brewing. He loved walking his girlfriend's dog, Ike, along the Deschutes River and snowboarding on Mt. Bachelor. Zach was a passionate young man who loved adventure and devoted a fierce intensity to his work, relationships and fun. He was known for his charisma, sincerity and goofy sense of humor. Zach's Christian faith inspired him to value loyalty, fairness and compassion; he was quick to include outsiders and encourage those who doubted themselves.</p>	<p>Origin: Del Norte County high school  Level: Graduating High School Senior  GPA: Minimum 3.0 GPA  Destination: A two- or four-year college, university, or vocational/technical school  Enrollment: Full-Time  Financial Need: Financial need will be used as a tie-breaker between otherwise equal candidates  Additional Requirements: Must be a baseball or softball athlete  Field of Study not considered</p>
